

Internship

CEE Data Office

The mission of **UniCredit S.p.A., Permanent Establishment Vienna** is to perform activities on behalf of the Holding, primarily in the field of management and financial control, of legal support to various projects as well as other activities which are - for reasons of management and functionality - easier and more logical performed locally in Austria.

CEE Data Office is acting as the bridge between data (IT) and information (Business) for CEE legal entities, promoting an end-to-end integrated approach to information management. As part of the Group Data Office family, the department is playing a pivotal role in defining how data is managed and used in the decision process for regulatory and managerial purposes, as well as in leveraging on the new opportunities brought in by the technological evolution.

What you can expect from this Internship:

- Developing and implementing innovative strategies and methodologies for management and usage of data, according to business and risk management strategies.
- Building data quality reports for business counterparts and bank management.
- Ensuring the upgrade of existing reporting processes according to latest business developments.
- Analyzing and managing different data sources used for CRO/CFO reporting purposes on group level.

What you should bring along- What we expect from you:

- Current studies in the field of Banking, Finance, Information Systems or Engineering.
- Experience with several data manipulation and presentation tools, ranging from SQL and SAS to R, as well as BI & Analytics tools, and MS Office.
- Professional English Level.
- Efficient communication and analytical skills.
