

Internship

Murex local Services AT

As a major financial institution, we strive to think and act in a truly international dimension. We span 50 countries and give growth opportunities to people who share our excitement for constantly building on the diversity of our local roots and strong European presence.

UniCredit Services GmbH is the service company of UniCredit Group that provides solutions in Information & Communication Technology (ICT), Back Office & Middle Office, Real Estate, Security and Global Sourcing areas in order to respond quickly and effectively both to the requests of the Bank and of the clients external to the Bank. UniCredit Services GmbH organizes its activities on a structured model divided into business lines and service lines, based on a concept of end-to-end in order to ensure the best service in terms of quality.

Murex local Services AT is responsible for providing an On-site daily support as 1st level of Contract for users ensuring Business proximity. Furthermore the unit is generally managing the customer relationship establishing "trust" on the capabilities to solve issues and is also managing RUN and CHANGE requests in alignment with business requests priority leveraging whenever necessary on Core Applications Services based in Warsaw to receive proper support on specific maintenance topics related to Murex. Moreover the department is in charge of providing support for requirements collection and test management performed by UniCredit Bank Austria as well as to coordinate locally rollout of charges implemented.
