

Internship

Credit Operations Retail

Bank Austria has been a **member of UniCredit**, one of the largest European banking groups, since 2005. Being the bank with one of the strongest capital bases among the large banks in Austria we aim for excellence and strive to achieve maximum customer satisfaction. Bank Austria is a modern and dynamic universal bank offering its customers access to international financial markets. Therefore we consistently invest in the development and motivation of our employees. In addition we offer ambitious students the opportunity to gain practical experience during their education.

The department Credit Operations Retail is responsible for strategies as well as credit decisions of the whole credit lifecycle- starting from setting risk strategies for individual products, to making individual credit decisions at all stages of the lifecycle – for loan granting, management of the loan portfolio, to (pre-) delinquency management. Managerial models and strategies support the decision process. The department is split into 2 units – Credit Operations Private Individuals and Credit Operations Small Business & Private Banking. Credit Operations Private Individuals also serves other units in the areas of soft collection and real estate appraisal.

What you can expect from this Internship:

- Involvement in the development of a dedicated statistical model, from concept and data clustering/mining to prototyping, documentation and reporting.
- Close cooperation with teams within the unit as well as colleagues in Strategic Risk Management and Sales Support.
- Support the project Application Fraud Tool.
- Support the development, execution of test cases related to the implementation of a new credit tool.

What you should bring along- What we expect from you:

- Current studies in the field of Financial Mathematics, Statistics, Physics, Engineering or Economics.
- Very good German and English skills.
- Excellent skills in MS- Office tools.
- Programming skills (SQL & object oriented languages) are advantageous.
- Strong analytical and problem solving skills.

What we offer:

Place: Vienna

Period: 2018 ongoing

An internship for at least 3 months (preferable up to 6 months) with a monthly gross salary of EUR 1050,00.
