**\*\*) Interest rate adjustment clause**

The debit interest rate is linked to the 3-month EURIBOR (= Euro Interbank Offered Rate / 3 months), rounded to full 0.125 %, plus a margin of 9 percentage points The debit interest rate will be adjusted on 1 March, 1 June, 1 September and 1 December of each year. The interest rate will be determined on the basis of the 3-month EURIBOR applicable on the second bank business day prior to the relevant adjustment date.

If the calculated debit interest rate is or becomes negative, it is agreed that a debit interest rate of 0.00001% p.a. will be applied instead. This means that the account holder(s) will pay interest at the rate of at least 0.00001% p.a. If the calculated debit interest rate subsequently becomes positive again, the calculated debit interest rate will be applied.
